

Bob Pragada

Chief Executive Officer

Right leader with passion for innovation and teamwork to continue to accelerate Jacobs' momentum

“ It is an exciting time for Jacobs. Concentrating our strategy accelerators around climate response, data solutions, and consulting and advisory services, we’re anticipating the global trends most important to our clients to develop differentiated, data-enabled solutions that meet their needs. I am honored to take on the role of CEO and advance the compelling work underway to further diversify our capabilities and offerings, increasing opportunities and value for our people, our clients and our shareholders alike. ”
